

## AN OPEN SECRET AMONG THE LADIES

The brilliant, fascinating tints of complexion for which ladies strive are chiefly artificial, and all who will take the trouble may secure them. These roseate, bewitching hues follow the use of Hagan's Magnolia Balm—a delicate, harmless and always reliable article. Sold by all druggists. The Magnolia Balm conceals every blemish, removes sallowness, tan, redness, eruptions, all evidences of excitement and every imperfection.

### Masonic Election.

Denver, 14.—The election of officers of the general grand council of royal and select Masons, took place at the triennial assembly now in session with the following result: M. P. general grand master, G. M. Osgood, Buffalo, N. Y.; R. P. general grand deputy master, George J. Pinckard, New Orleans, La.; R. P. general grand P. C. of W., George W. Cooley, Minneapolis; P. general grand treasurer president, A. B. Senter, Columbus, O.; R. general grand recorder, Benjamin F. Haller, Memphis, Tenn.; H. general grand captain of the guard, Robert Van, Versailles, Ind.; P. general grand conductor of the council, John Haigh, Somerville, Mass.; P. general grand marshal, Henry S. Orme, Los Angeles, Cal.; P. general grand steward, George L. McCaspen, Baltimore, Md. The officers were installed by P. M. I. grand master, Alfred Chaplain, general grand high priest, of Boston, Mass.

### The Oars.

Watkins, N. Y., 15.—First trial heat of the professional boat race was won by Ross, Lee second, Courtney third, Platted and Griffin last. The latter was at least a length in the rear of Ross. The crowd howled in disappointment, as it was evident this would shut Courtney out of the second trial heat, and so out of any contest with Hanlon. It would have looked like a clear put up job if Courtney had not claimed the second place on account of Lee's approximate foul. It is not decided yet by the referee and judges whether to allow the foul.

### A Minister Murdered.

Galveston, Tex., 15.—News of a special: This afternoon Lawrence Denman met Rev. R. G. Sewall on the street and drawing a forty-four calibre navy revolver fired at the minister four times, inflicting wounds which caused death in a short time. The causes leading to the shooting are of a domestic nature. No one blames Rev. Sewall, who is regarded as a victim of a conspiracy and he is asserted in his ante mortem statement. Both parties were highly connected. Sewall was a Methodist clergyman and local agent of the American Bible Society.

### Lynched.

Cincinnati, O., 15.—James Mixon, Suddow, Ky., was working seventy men near Cumberland falls, cutting ties for the Cincinnati Southern railway. On Sunday night Charles Slade, one of Mixon's men, who slept in the same bunk with James and John Adair, and a man named Calhoun, were after his companions were asleep, crushed their skulls with an axe, rifled their pockets of about \$80 and escaped. Mixon put the whole force in pursuit, and to-day Slade was captured near the place, and he is thought to be lynched.

### A Marshall Murdered.

Memphis, 15.—A special from Helena, Ark., says: Marshall Mooney was assassinated at 2 o'clock this afternoon by an unknown party. He had gone to the steamer Kate Adams for the purpose of making an arrest, and on his return, while in the act of opening the door of his office, he was shot by the murderer who had laid in wait for him. Six shots were fired. Mooney's pistol had three empty chambers, showing he had defended himself.

### The Slade-Mitchell Fight.

Topeka, Kan., 15.—The federal officers here claim to have advised that the Slade-Mitchell prize fight is to be fought just across the Indian Territory line south of Baxter Springs, Kansas, and efforts are being made to have United States officers on hand to stop it.

### Republican Victories.

Paris, 15.—The Republicans now have a majority in seventy-eight of the ninety districts for the general councils. They carried even Corsica and Morbihan.

### De Chambord Dying.

Vienna, 15.—Crowds stand at the gates at Compté de Chambord's chateau at Frohsdorf, awaiting the sufferer's end.

## The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

79 Dearborn Ave., Chicago, Nov. 7. I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

## CARD.

The undersigned, having purchased and succeeded to the business of the Salt Lake City Brewery, propose to continue the same; and by due consideration of the wants of the public, and strict attention to the industry in which we are engaged, will not only maintain the excellent popular reputation of the Salt Lake Beer, but add to and improve the same. The management of the business will remain under the immediate supervision of Mr. Moritz, who has brought the beer up to its present popularity. We expect not only to retain all of the old patrons of the Salt Lake City Brewery, but to gain many new ones, and to enlarge and extend our facilities to meet the increasing demand.
